The SNAGGER is a valuable companion in various aspects of life, not just for gaming.

Fingers, surroundings, and equipment stay clean.

Snacks remain untouched and absolutely hygienic.

THEREFORE SNAGGER

- absolute market innovation – unique product
- 100% of the process chain in Germany
- ideal as a gift or give-away for employees and customers
- the fingers remain clean
- the snacks remain untouched and fresher for longer time
- suitable for a variety of granular snacks: peanuts, trail mix, NicNac's, chocolate lentils, and much more
